

Holy Family School has been a long time resident to the Deer Park area and hosts students from Pre-kindergarten to Grade 5. As a good neighbour, we wanted to reach out to each and everyone to provide an update of what has recently been taking place at Holy Family School.

Over the past few months we have noticed some activity that we would identify as 'suspicious'. As a result, we have collaborated with the Community Policing Unit of the Red Deer RCMP and they have recently completed a Crime Prevention Through Environmental Design assessment of our school and the grounds surrounding the school. The Community Policing Unit has made a number of recommendations that Holy Family School is reviewing. We will endeavor to implement appropriate changes in order to reduce crime and suspicious activity.

The Red Deer City RCMP encourages everyone to be mindful of who is in your neighbourhood. You know who should be there and who looks out of place. By watching each other's property and reporting to the police when you believe there is unwanted activity you can improve and reduce criminal activity in the neighbourhood. Normally, the school is active, Monday to Friday from 8:00 am to 5:00 pm. There should not be any vehicles at school after 10:00 pm or on weekends. In addition, we would encourage residents to report anyone who is vandalizing school property or the playgrounds. Thank you for your time and your attention to this letter because we know that together we can make a difference.

Please call the RCMP non-emergency complaint line at (403) 343-5575 to file a complaint/suspicious activity or 911 for emergencies. In addition, if you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

On behalf of Holy Family School, and the City of Red Deer RCMP we would like to thank you for being caring neighbours. We appreciate your support as we continue to provide high quality education in a safe and caring learning environment for all of our students.
